Notice to Applicant

Administration levy, security deposit and term of claim

Before any mineral claim can be renewed, the administration levy must be paid. The minimum amount of the levy is \$100 for each year (or part of a year) of the term of the renewed claim. The total levy payable is therefore \$100 multiplied by the number of years (or parts of years) for which the claim is renewed and is all payable before the grant of the claim.

Note: if the security deposit amount required for a claim exceeds \$10,000, the levy will be 1% of the security deposit amount for each year (or part of a year) of the renewed claim term, ie higher than the minimum levy amount.

For the purpose of calculating the levy in accordance with [s292M](#) of the *Mining Act 1992*, any applicant is hereby notified that any mineral claim granted as a result of this application:

- will have a term of _____ year/s and
- will be subject to a condition requiring the giving and maintaining of a minimum-security deposit in accordance with [cl93\(a\)](#) of the Mining Regulation 2016.
