

General Conditions

Work Program

1. The licence holder must carry out the operations, and any other activities, described in the Work Program and comply with any commitments in relation to the conduct of operations specified in the Work Program, as for the time being in force, in respect of this licence.

Native Title

2. The licence holder must not prospect on any land or waters within the exploration area on which Native Title has not been extinguished under the *Native Title Act 1993 (Cth)* without the prior written consent of the Minister.

Community Consultation

3. The licence holder must carry out community consultation in relation to the planning and conduct of activities under this licence in accordance with the *Exploration Code of Practice: Community Consultation (March 2016)*.

Protection of the Environment

4. The licence holder must prevent, or if that is not reasonably practicable, minimise so far as is reasonably practicable, any harm to the environment arising from activities carried out under this licence.

Security

[The following condition is used for individual securities]

5. The licence holder must provide a security deposit to secure funding for the fulfilment of obligations under this licence (including obligations that may arise in the future) as follows:
 - (a) Amount: \$ **[Security amount entered here]**
 - (b) Licence Holder's entitlement to interest: none.

[The following condition is used for group securities]

5. The licence holder must provide and maintain a group security deposit to secure funding for the fulfilment of all obligations under all exploration licences under head title exploration licence no. **[Head Title number entered here]** (including obligations that may arise in the future) as follows:
 - (a) Amount: \$ **[Group Security amount entered here]**
 - (b) Licence holder's entitlement to interest: none

Rehabilitation

6. The licence holder must carry out rehabilitation of all disturbance caused by activities carried out under this licence in accordance with the requirements in Part B of the *Exploration Code of Practice: Rehabilitation (July 2015)* to the satisfaction of the Minister.

Standard Conditions

Environmental Incident Reporting

7. The licence holder must provide environmental incident notifications and reports to the Secretary no later than seven days after those notifications and reports are provided to relevant authorities under the *Protection of the Environment Operations Act 1997*.

Annual Activity Reporting

8. Unless otherwise approved by the Secretary, the licence holder must submit annual activity reports prepared in accordance with the *Exploration Guideline: Annual Activity Reporting for Prospecting Titles (July 2015)* at the following times:
 - (a) Annually, within one calendar month following the grant anniversary date of this licence
 - (b) On any other date or dates directed by the Secretary in writing; and
 - (c) Within one calendar month following the cancellation or expiry of this licence.

Change in Control

9. If the licence holder is a corporation or a trust, the Minister's prior written approval is required before any:
 - (a) Change in effective control of the licence holder; or
 - (b) Foreign acquisition of substantial control in the licence holder.

The Minister's approval is not required where a change in effective control of the licence holder, or a foreign acquisition of substantial control of the licence holder, occurs as a result of the acquisition of shares or other securities on a registered stock exchange.

Additional Conditions

[Either "nil" or Special/Additional Conditions will be included for the specific licence if relevant]

Drilling Notification

10. At least 28 days before commencing any drilling operations (for assessable prospecting operations), the licence holder must provide written notice to the Department of Planning, Industry and Environment – Water Division (DPIE – Water) through the 'Water Actions Management System' (WAMS) portal <http://wams.water.nsw.gov.au/wams/core.aspx?LITE> which sets out:
 - (a) the licence holder's intention to drill the exploratory holes; and
 - (b) a description of the nature and location of the proposed exploratory holes.

Previous Licence

11. The licence holder must rehabilitate to the satisfaction of the Department any areas disturbed by operations carried out under Exploration Licence No. **[Authority Number]** and must lodge any reports required in connection with that licence.
