STATEMENT ON FATALITY AT CSA COPPER MINE COBAR

A young man has died following a tragic incident at the CSA underground copper mine in Cobar, in the State's central west.

I would like to extend my deepest condolences and prayers to the man's family, friends, co-workers and the wider Cobar community, during this very difficult time.

A Police investigation is underway and officers from NSW Trade & Investment's Mine Safety Investigation Unit are assisting with the investigation into the incident.

Ends.
